Why Synthetic?
The grass is greener

Installing artificial grass saves you time, money and headache by ending your relentless pursuit to achieve a perfect lawn surface. The grass is always greener for those who glimpse your synthetic turf from Creative Landscaping Works. Enjoy all of the pros with none of the cons associated with real grass in Ireland and the UK. Relax and unwind in your evergreen and ever-clean garden 365 days a year rather than constantly toiling in it. Premium quality synthetic grass is environmentally friendly, child friendly, pet friendly and requires minimum maintenance.
Why Choose Creative Landscaping Works?

Creative Landscaping Works is a trusted supplier of state-of-the-art synthetic grass to help you achieve a cleaner and greener lawn, play area, sports surface and more. We are a leading provider of artificial grass in Ireland. Our products are sourced from the most respected industry leaders in the world and are fully covered by guarantee. We deliver your chosen grass straight to your door in a fast and efficient manner throughout Ireland, Northern Ireland and the UK.

Our friendly team is always on hand to assist our customers. Our skilled landscape professionals are highly experienced and are available to ensure the highest quality installation of your grass with minimum fuss.

We can supply and fit artificial grass to meet all kinds of specific requirements. Our range includes a wide variety of artificial turf to suit gardens, balconies, rooftops, play areas for children and pets, surfaces for corporate and business events, green areas for cafes, bars and restaurants, and coverings for graves.

We supply grass to suit many sports and playing surfaces including GAA grounds, soccer pitches, gyms, tennis courts, hockey pitches, golf putting greens and tee boxes, and more.
